

CSTI

CHRISTIAN SERVICE
TRAINING INSTITUTE
WITH THE PENTECOSTALS OF COMPTON

A RICH HISTORY

Realizing a need for a comprehensive training program for members and workers in the local churches who are not able to go to Bible College, in 1973, the ministers of Section One of the then Western District of the United Pentecostal Church International instituted a coordinated effort called Christian Service Training Institute.

Training workers in the local church is our primary goal, fulfilling offices from Sunday School teachers to music directors, youth ministers, etc.

CHRISTIAN SERVICE TRAINING INSTITUTE

IS TAUGHT BY AN ESTEEMED GROUP OF MINISTERS OF THE UPCI WHO POSSESS PASTORAL, EVANGELISTIC, MISSIONARY, AND EDUCATIONAL EXPERIENCE.

This training is available to members of churches who are unable to attend Bible College. It produces assistants to Pastors in the training and development of workers in their churches. This training is a systematic and comprehensive coverage of the Bible spanning a four-year period, encompassing 396 classroom hours, at affordable cost.

Graduates are sound in the faith, established in doctrine and Scriptural principles, and at the same time, they are trained to use the knowledge thus gained in active places of Christian service. CSTI is dedicated to providing the opportunity for all who desire to be trained for effective service in the Harvest.
